City Councilor Craig Kelley :

I am writing as a concerned Cambridge resident about the resolution to boycott American companies from doing business in Israel. I believe there is a interest group name " Mass Against HP" that is fighting to get this latter resolution passed.

I think Cambridge residents have a right to know more about this resolution before it is voted on by our City Councilors.

It seems that this boycott is not the way to go.
Please let me and the people of Cambridge know where we can read the overall proposal with pros and cons.

Thank you.
